Dear Editors:

Please accept this letter and the attached documents as a resubmission of our manuscript entitled, "The Influence of Legal Coercion on Dropout From Substance Abuse Treatment: Results From a National Survey." We would like to express our gratitude to the anonymous reviewers of the manuscript. We found their reviews to be comprehensive and extremely thoughtful, and it is clear they are experts in this area of research. Therefore, we worked in earnest to use their feedback to guide the revisions of the manuscript. We believe that the overall quality has improved significantly with their input.

For your convenience, we put together a detailed table of the suggested revisions and the actual revisions we made. Please feel free to let me know if you have any other questions or comments.

Sincerely,

Brian Perron, Ph.D.
