# Best of Ann Arbor

## HAPPY HOUR

A classic college bar.  
Make sure to get a fishbowl  
to share with your friends!

If you love beer  
and are basically broke,  
this is your paradise.

### SUIT UP.

Or don't.  
Your call.

Wednesday Nights w/  
DJ Graffiti

Impressively  
grungy.  
Don't show up  
until you're  
Rick's Ready.

# DINING OUT

## DINING OUT

- BREAKFAST**  
Angelo's
- LUNCH**  
Bagger Dave's Tavern
- DINNER**  
Yotsuba Japanese Restaurant and Bar

Try anything with their eggs.

Seeing as it's a burger tavern, you should probably try their burgers. (You won't regret it!)

Because sushi, that's why.

**COFFEE**  
Common Cup

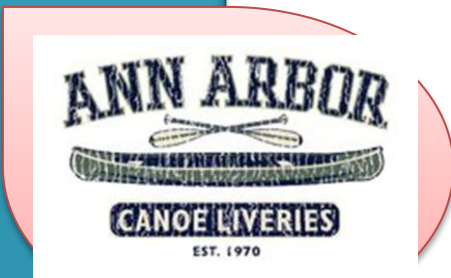

Coffee, tea, hot chocolate, you name it. The coffee is roasted locally by the Ugly Mug.

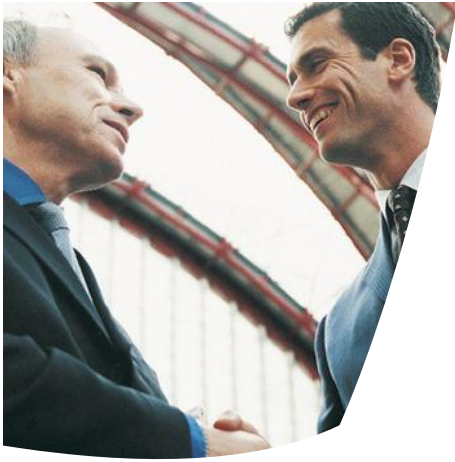

**BEAUTY SUPPLY**  
Beauty Spot

**OUTDOOR ACTIVITIES**  
Ann Arbor Canoe Livery

# PROFESSORS

*Don't pretend like you don't want to know which professors you absolutely have to take.*

One of the best adventure therapists out there, **Tony Alvarez** will have you climbing through ropes and photographing yourself with a tree branch, but he'll always tell you how the exercise will help a child at risk.

Everybody loves **Julie Ribaldo**. This fact is evidence-based, based on the evidence that everyone who's had a class with her loves her.
