

REQUEST TO CONTINUE NCFD ENROLLMENT

Submit Completed Form to: ssw.oss@umich.edu

NCFD admission is valid on a term-by-term basis. NCFD students who would like to continue for a subsequent term must request to continue by completing this form by the following deadlines:

- Priority deadline: Nov 1 (for winter), March 1 (for sp/su), July 1 (for fall)
- Final deadline: Nov 30 (for winter), March 31 (for sp/su), July 31 (for fall)

Requests will be reviewed by the MSW Program Director and the Office of Student Services and Enrollment Management. Consideration of continued enrollment will take a holistic approach that includes a review of academic progress (with a 3.0 average expected) and other relevant information (e.g., rationale to continue; information from previous course instructors about attendance, participation and performance; and adherence to technical standards). Students will be informed of a decision at the earliest date possible.
