

Alumni Board of Governors Scholarship Award

The Alumni Board of Governors Award was established in 2006 to help meet the growing needs of U-M MSW students who pursue national and global field experiences and/or global independent study projects. The Board strongly believes that as our world continues to change, it is becoming increasingly important for social work students to gain a local, national, and global perspective in order to address the challenges that face our global community.

The Alumni Board of Governors Award will assist students with the following:

- Travel to and from the location of the fieldwork site
- Room and board
- Transportation while on site
- Professional attire
- Program-related expenses

Selection Criteria

1. Applicants must be an admitted U-M MSW student for the current scholarship year.
2. Applicants must be accepted into a SSW approved national or global field placement site or have support from a faculty instructor for a global independent study project for which they are seeking support.
3. Recipients may be asked to provide a thank you letter to donors, share about their experience in alumni publications and meet with members of the Alumni Board of Governors to discuss their field experience and the impact receiving the scholarship funding had for them.
4. The Alumni Board of Governors will focus on the following characteristics of applicants in the review process: *Leadership, Initiative, Problem Solving Skills, Demonstrated Service to Others, Compassion, Integrity.*
5. Preference will be given to applicants for whom a national/global field placement/global independent study project is a new experience. Financial need may also be considered.
6. Preference will be given to applicants whose current curricular pursuits and future career goals closely align with the proposed national/global experience.
7. Personal statement - see next page.

Awards

Awards will be granted based upon the selection criteria noted above. The strength, clarity, cohesiveness, and merit of an applicant's personal statement will be strongly weighted in the decision-making process.

Print Name

Signature and Date

Signature of applicant is taken to certify that the applicant is enrolled as a full-time student in good standing in the Master of Social Work program at the University of Michigan, the applicant has been approved for a national/global field experience or has support from a faculty instructor for a global independent study project. Should the applicant be selected for an award as a result of this application process, awardees should be willing to write a thank you letter as the recipient of that award and would consent to their story being shared in alumni publications and at alumni events. Scholarship awardees may be asked to meet members of the Alumni Board of Governors to share about their travel experience and the impact of this scholarship funding.

Award recipients who are unable to complete their field placement/global independent study will be required to repay in full the awarded funds. Students experiencing difficulties during their field placement should contact the Office of Field Instruction and global independent study should contact their faculty instructor and/or the Office of Global Activities immediately for assistance to resolve problems.
