

THE SCHOOL OF SOCIAL WORK
celebrates our
DONORS & SCHOLARS

ANN ARBOR, MICHIGAN

MESSAGE FROM DEAN VIDEKA

This year marks the 100th birthday of the University of Michigan School of Social Work -- and we have much to celebrate!

Let's celebrate Michigan Social Work students! Our students are some of the most hard-working, dedicated, and resilient individuals you will ever meet. Nothing stands in their way of achieving their dreams to make this world more just and equitable. Not even the financial challenges of earning a social work degree from the University of Michigan.

Let's celebrate Michigan Social Work donors! They have made a powerful investment in Michigan social work students, the profession, and the next generation of social work professionals. Their generosity speaks volumes about their commitment to lifting others up and making a Michigan Social Work degree accessible to students from diverse backgrounds.

Together, Michigan Social Work student scholars and donors represent the heart and soul of what Michigan Social Work is all about – Reaching Out, Raising Hope, and Changing Society.

Inside this digital booklet, you will find a complete listing of the scholarships awarded by the School this academic year, names of the talented students who received the awards, plus profiles of several student scholars to demonstrate the profound impact scholarship support had on them, their educational experience, and their future career plans.

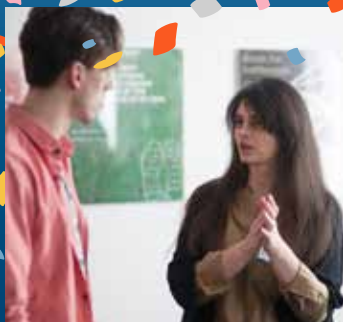

With great appreciation for our students' motivation and our donors' generosity,

Go Blue!

I was unsure I would be able to continue my education due to the financial impact of COVID 19. Thanks to the scholarship I received, I have been able to continue my education and fulfill my dream of earning my MSW.
