

M | SOCIAL WORK

Dear MSW and PhD students;

As Dean of the University of Michigan School of Social Work, I join our faculty and staff at the School of Social Work in expressing appreciation for all of the SSW graduate and professional students who do so much to learn as much as they can and to make a difference in our School and the communities we serve.

Breakfast will be provided in McGregor Commons on April 3 - 6 from 10:30 - 11:30 am. Snacks will also be available in the afternoon during these dates.

Go Blue,

Lynn
