- Provided long-term counseling for sexually abused children and their families
- Researched and performed evidence-based treatment models
- Participated in Multidisciplinary Team Meetings and made recommendations to the court based on comprehensive assessment findings and clinical impressions
- University of Michigan Child Welfare Fellow Recipient

Research Interests

Integrated Health Care, Trauma & Maltreatment, Culturally-responsive Care, Juvenile Justice & Recidivism Rates, Social Work Ethics

Grants

Current

Co-Principal Investigator – Flinn Foundation

01/01-2013 – 12/30/2015 Total Cost: \$200,000

Grant ID: 760 "G'wiidanokiindimi ezhiminobimaadiziwaad (All of Us are Working Together So They Can Live Well): Implementation of Trauma-Focused Cognitive Behavioral Therapy treatment program

for American Indian/Alaskan Native and First Nations populations in the criminal and juvenile justice system.

Clinical Supervisor, Co-Author – SAMHSA System of Care Implementation Grant

07/01/2013 – 9/30/2017 Total Award: \$4,000,000 (Sub-contract)

"Pii Maamwinokiyaang, Miidash Nibwaakaayaang (When We Work Together, Then We Are Wise)" Wayne County, Michigan in partnership with American Indian Health and Family Services (AIHFS) and the Virtual Center of Excellence (VCE) plan to create a System of Care to improve, expand and sustain services for families and their underserved children and youth (birth thru 21) with serious emotional disturbance and Native families and their children and youth who are "out of balance and challenged by spiritual unrest."

Clinical Supervisor, Research Associate – SAMHSA Garrett Lee Smith Suicide Prevention Grant

10/1/2014 – 9/30/2019 Total Awards: \$3,500,000

Manidookewigashkibjigan Sacred Bundle: R.E.S.P.E.C.T. Project-2

The American Indian Health and Family Services of Southeast Michigan's Manidookewigashkibjigan Sacred Bundle: R.E.S.P.E.C.T. Project, a State/Tribal Youth Suicide Prevention Cooperative Agreement, serves primarily American Indian/Alaska Native (AI/AN) youth and young adults ages 10-24 in Detroit and Southeastern Michigan, with a goal to partner with tribal communities throughout the state.

Past

Clinical Supervisor, Research Associate – SAMHSA Garrett Lee Smith Suicide Prevention Grant

10/1/2011 – 9/30/2014 (No-cost extension 1/2015) Total Award: \$480,000

Manidookewigashkibjigan Sacred Bundle: R.E.S.P.E.C.T. Project

The *Manidookewigashkibjigan Sacred Bundle: R.E.S.P.E.C.T* (Respecting, Engaging, Supporting, Protecting, Empowering, Connecting, and Teaching) project will work to prevent suicide in at risk American Indian youth through evidence-based practice interventions and treatment strategies as well as culturally infused Practice-Based Evidence. Urban American Indian/Alaskan Native people ages 10-24 are at higher risk for suicide than other racial/ethnic groups due to multiple stressors.

Clinical Supervisor – Urban Indian Health Institute Depression Grant

2013 – 2014 Total Award: \$5000

Identify depressive symptoms and patients receiving behavioral care in the Department of Emotional and Spiritual Wellness. Evaluated needs for service provision through consultation with patients, staff, and other Urban Indian Health Clinic grantee.
