The Global Independent Study Grant, offered through the Office of Global Activities (OGA), is a $2,000 grant awarded to students through a competitive application process. Students in all curriculum tracks are eligible for this grant. Please note that 16-month and Advanced Standing students will have limited time to travel (usually 2-3 weeks in early to late August), due to the spring/summer term and field schedule. 20-month students are able to participate for a longer period of time during the spring/summer term. To complete a global independent study, students must secure a faculty instructor.

Below is a checklist for applying for the Global Independent Study Grant. Please note that applicants are not guaranteed funding.

**FALL TERM**

**September**
- Attend the Global Independent Study Information Session. This event usually takes place during the first few weeks of class. If you are unable to attend, contact ssw.oga@umich.edu to set up an appointment to discuss these options with a staff member.
- Attend the Global Social Work Poster Fair to learn about Global Independent Study projects that students completed the previous year. This event usually takes place during the end of September or early October.
- Begin contacting potential faculty. To complete a Global Independent Study, you must have a faculty instructor. Faculty instructors must be clinical-track or tenure-track. (Please note that lecturers and research faculty cannot serve as an instructor). If you need help identifying an appropriate faculty instructor, you may arrange a meeting with OGA staff (ssw.oga@umich.edu) early in the fall term.

**September-November**
- Meet with your faculty instructor to develop a plan for your experience abroad and discuss how it fits within your larger educational goals. Along with your instructor, you will need to determine the number of credit hours you will receive for the independent study.
- Review other funding opportunities and deadlines at http://ssw.umich.edu/finaid/oga.

**November-December**
- After securing a faculty instructor, complete the Global Independent Study Instructor Signature Form. Please note that your advisor’s signature is not needed to apply for the grant. However, your faculty instructor’s signature is required. You will need to upload a copy of this form to MCompass as part of the application.

**First Friday in December**
- Deadline: Submit all application materials through M-Compass.

**Third Friday in December**
- Check for email communication from OGA, award notifications will be sent no later than the third Friday in December.
- If interested, enroll in SW 648 Issues in Global Social Work Practice for the winter term. This course is highly encouraged, though not required, for global independent study students.
