Affidavit of Financial Support for International Students

If you will need an F-1 or J-1 visa, the University of Michigan is required by U.S. government regulations to obtain documentation proving that international applicants have adequate financial resources to provide for their expenses, including dependents, for the duration of their program. **If you are currently in the U.S. on an F or J visa, you must also send a copy of your recent I-20 or DS-2019 along with a copy of your passport, I-94 card and visa.**

You are required to submit, with your application for admission, certification of the availability of a minimum of $156,434 (U.S. dollars) to cover your expenses for the two-year MSW program. Additional certification will be required if you plan to bring dependents with you. Funds may come from a variety of resources, including personal/family, government, or sponsoring organization. Keep copies of all financial documents to present to the U.S. Consulate when applying for a visa.
