DECLINE / RENOUNCE ADVANCED STANDING STATUS

I hereby declare that I do not accept the Advanced Standing status that was offered based on my undergraduate social work degree and/or I wish to renounce my current Advanced Standing status. I understand that by declining/renouncing Advanced Standing status, I must complete 60 credit hours (four semesters) to meet the requirements for the MSW degree program.

I further understand that although I may be eligible for exemptions from some foundation level courses based on my undergraduate social work degree, these exemptions will not reduce the total number of credit hours required for the MSW degree. Exemptions will be processed in lieu of Advanced Standing and approved on an individual basis by the appropriate Exemption Consultant.

Fourth Term Option

Please note that it is possible to maintain Advanced Standing status and spread the required 45 credits hours over four terms. Please do not complete this form if you want to pursue the fourth term option. If you are interested in the fourth term option, please contact the Office of Student Services for further information.

Please include below (or attach) a brief statement indicating the reason(s) you are declining/renouncing your Advanced Standing status.
