

## 2022 Part-Time MSW Estimated Cost of Attendance

Students with demonstrated need will be eligible for grant and scholarship aid (amount to be determined based on application) for the first four terms of enrollment (45-credit program) or first six terms of enrollment (60-credit program).

When factoring in the tuition award, total tuition cost for the part-time program (online and on-campus) is equivalent to three semesters (45-credit program) or four semesters (60-credit program) of full-time tuition.

• To view per credit hour tuition charges, please visit the [University Office of the Registrar's Tuition & Fees webpage](#).

• At the University of Michigan, part-time students pay per credit, which can make tuition substantially higher than it would be if you attend full time. Because of this, the School of Social Work offers an award (called a "tuition award") in your final 3 semesters. So, while you pay more in tuition, this award makes your total tuition equal to what it would be if you attended full time. Students eligible for a tuition reimbursement cannot also receive the tuition award in the same term. Students must inform the School if they are eligible for tuition assistance or reimbursement by a governmental or private entity. Note that this would reduce the tuition award for the term(s) in which tuition assistance/reimbursement was received.

• Total Student Cost can be covered using federal loans for eligible students.

• Amounts shown as a negative (-) indicate the estimated amount to be refunded to the student.
