• Tuition/Fees amounts for the academic year are generally set by the Regents of the University of Michigan in July of each year. Amounts listed above are estimates based upon average annual increases. Tuition and Fees are subject to change without notice by the Regents of the University.

• At the University of Michigan, part-time students pay per credit, which can make tuition substantially higher than it would be if you attend full time. Because of this, the School of Social Work offers an award (called a "tuition award") in your final 3 semesters. So, while you pay more in tuition, this award makes your total tuition equal to what it would be if you attended full time. Students eligible for a tuition reimbursement cannot also receive the tuition award in the same term. Students must inform the School if they are eligible for tuition assistance or reimbursement by a governmental or private entity. Note that this would reduce the tuition award for the term(s) in which tuition assistance/reimbursement was received.

• Total Student Cost can be covered using federal loans.

• Total Student Costs shown as negative amounts represent estimated refunds to the student.
