<https://csprod.dsc.umich.edu/services/residency>

- ▶ Accept/Decline loans and work-study awards in Wolverine Access

- Please be mindful of the amounts you accept. You may be eligible for \$18,000 in graduate plus loans but do you really need the full amount to cover all expenses?
- Remember that you are accepting for 2 semesters (equal amounts each semester). If you need to make adjustments to the amount you accept in a given semester, please send an email to financial.aid@umich.edu
- If unable to accept/decline in Wolverine Access, please send an email to financial.aid@umich.edu with your request (include your name, student ID number)

Understanding Your Student Bill

► Most students should have a bill within their Wolverine Access Account

- Student Bill will include
 - Tuition & Fees
 - University on-campus housing charge (monthly rent)
 - Separate section titled “Pending Aid” (which will include any direct unsubsidized loans, scholarship/grants)-**YOU MAY NOT SEE THIS IMMEDIATELY BUT YOU CAN VERIFY AWARDS WITHIN WOLVERINE ACCESS**

► Aid will automatically be applied to student bill (scholarship/grants, unsubsidized loan) over the next few weeks

- SSW Scholarships/Grants will usually be applied first
- Plus loans do not appear as pending aid but will appear on your account once processed by the University
- Verify that all awards (scholarships/grants and loans) are enough to cover all costs identified within the student bill

Understanding Your Student Bill

► Student bill for Fall 2022 is due on August 31st

- Payment should be made to University by this date only if total awards are not enough to cover the entire student bill
- For some students, this may mean that all aid may not have been applied to your account by the time the bill is due; no need to worry!!! You may wish to contact Student Financial Services to discuss this so that a note can be put on your account **(734) 764-7447** or um-sfo@umich.edu
- Verify that all aid has been/will be posted to account prior to making any payments

► Any excess amount will be refunded to student (mailed to residence or direct deposit) at the beginning of the semester

** Note: For students residing in University Housing, housing fees are billed to the student account monthly. It is the student's responsibility to make monthly payments to the University. Consider taking any refund to make a one time payment to cover the cost of housing for the semester*

10-20 hours per week/average

- Work-Study (On-campus jobs however there may be some “off-campus options available)
