About Us

Savannah State University established in 1890, is the first public historically black college or university in the state of Georgia and the first institution of higher learning in the city of Savannah. The university’s students select majors from four colleges — Business Administration, Education, Liberal Arts and Social Sciences, and Sciences and Technology. The campus is by far the most picturesque in the state of Georgia. The moss-laden sweeping oak trees, expansive marsh and historic architecture create a resplendent yet tranquil atmosphere. Beneath the beauty and splendor is a vibrant residential campus bursting at the seams with the vim and vigor of quality collegiate life: relevant academic majors, engaging lectures, cutting-edge research, quality student-faculty engagement and a nurturing environment.
